A. AIM

The Compulsory Courses Coordinatorship is an academic unit responsible for the planning, implementation and evaluation of common compulsory courses carried out in all faculties and departments of our university. Our aim is to improve the basic academic competencies of our students, to increase the quality of education and to ensure that the course processes are carried out in an organized, transparent and effective manner.

B. MISSION

To ensure that the compulsory common courses taught in all departments of all faculties and colleges at our university (eg: Turkish Language, Atatürk's Principles and History of Turkish Revolution, Foreign Language, Information Technologies and Office Software, etc.) are carried out with a planned, effective and up-to-date curriculum; to provide students with a qualified and accessible learning experience by coordinating academic and administrative processes. In this context, our main task is to increase the efficiency of the courses by using contemporary education methods and digital technologies, and to develop cooperation and standardization among the teaching staff.

C. VISION

To create a structure that strengthens the academic, cultural and social equipment of students by developing a compulsory courses management model that is exemplary at national and international level.

Our coordinatorship aims to maximize the basic competencies of students through innovative instructional designs, assessment and evaluation practices and quality-oriented management approach.
